

BRADFORD COUNTY TOURISM PROMOTION AGENCY ROOM TAX GRANT OVERVIEW

I. Introduction

As the agency responsible for ensuring that Room Tax money collected in participating counties is used for the purposes of tourism, promotion and development, the Bradford County Tourism Promotion Agency has developed the Room Tax Grant Program.

II. Statement of Purpose

30% of the county's hotel room tax will be used to help underwrite the expense of three types of projects:

1. Special Events, exhibits and publicity initiatives, and projects that will increase tourism to an area/attraction.
2. Marketing and promotional projects.
3. Wayfinding aides by the county or the county's cultural, historical, and recreational organizations for the purpose of increasing tourism and overnight stays.

Grants may be considered and awarded each grant cycle by the Bradford County Tourism Promotion Agency upon the recommendation of the County's Room Tax Tourism Committee. All grants are administered by the Bradford County Tourism Promotion Agency.

III. General Conditions

- A. Grants will **not** be provided for sectarian religious expenses.
- B. Grants will **not** be awarded for food or refreshments, travel, **entertainment** or operational expenses.
- C. Grant funds may be used to match federal and state funds, but are not considered private donations. Room tax grants can only be used to match grants that are being used for projects that will directly impact tourism within the region.
- D. Grants will be awarded to qualified applicants as defined in Section V.

E. Bradford County Tourism Promotion Agency may choose to set minimum/maximum grant awards.

F. All grants must have a 25% cash or in-kind match of the total amount requested, due to recently signed House Bill 794, now known as Act 18 of 2016. For example: “Proof of Match” is per event, NOT overall total budget. When closing out a grant, organizations must show the money received AND matching funds went toward what they applied for (proof by invoices submitted). NO grant money can be used outside of the original request. Proof of 25% cash or in-kind match MUST be submitted separately from the Organization’s Annual Budget.

IV. Grant Categories

Category 1: Special Events/Exhibits

Special Event: A special event/exhibit is defined as an event/display open to the public that promotes tourism in the county. A bona fide not-for-profit or a program of an officially recognized not-for-profit organization must sponsor the event/exhibit. The event/exhibit must be either an attraction in and of itself or one that will be used as a complement to an existing public event, display or attraction. The event/exhibit must also be advertised outside a fifty mile radius.

- Consideration will be given to all proposed events/exhibits, including those without history. Preference may be given to proposals from organizations that have produced similar events/exhibits with at least one year of event history and have completed financial summaries (reported using generally accepted accounting principles) and that have advertised or otherwise promoted these events/exhibits at least fifty miles outside of the County.
- All proposals must include a written marketing plan to promote the event.

Category 2: Marketing and Promotional Projects: The applicant must demonstrate that this project directly correlates to increasing tourism within the region. The project should target promotion beyond a fifty mile radius with emphasis on overnight stays.

- The applicant must be a bona fide, officially recognized not-for-profit organization (and provide proof through copy of your most recent 501c-3 or 501c-6 Certification/Designation Letter).

Category 3: Wayfinding Aides: Consideration will be given to groups proposing to develop maps, signage or other tools which would be of assistance to area visitors.

V. Qualified Applicants

Grants may be awarded to all qualifying **cultural, historical and recreational entities** for qualifying **special events or exhibits, marketing and promotion, and wayfinding projects**, that submit a written application for such funds. **Local and County government** may also qualify and submit a written application for review.

To be a qualifying **CULTURAL, HISTORICAL OR RECREATIONAL ENTITY**, an organization must:

- be a bona fide, officially recognized not-for-profit organization (**with proof of designation letter or certificate**)
- have at least one year of audited financial reports, and
- have a proven positive record of advertising to bring patrons and audience members from beyond a fifty mile radius.
- **show proof of a 25% cash or in-kind match of the total amount requested, due to recently signed House Bill 794, now known as Act 18 of 2016. For example: “Proof of Match” is per event, NOT overall total budget. When closing out a grant, organizations must show the money received AND matching funds went toward what they applied for (proof by invoices submitted). NO grant money can be used outside of the original request. Proof of 25% cash or in-kind match MUST be submitted separately from the Organization’s Annual Budget.**

VI. General Conditions for Award

1. Through a press release issued by the Bradford County Tourism Promotion Agency, the agency will announce the availability of grant funds in local newspapers, radio, website, and social media. Eligible applicants will submit 5 copies of the Room Tax Grant application directly to the **Bradford County Tourism Promotion Agency at 1 Washington St., Suite B, Towanda PA 18848.**
2. The Bradford County Tourism Promotion Agency Room Tax Committee will be charged with making certain each application meets and/or exceeds the established criteria.

7. Awardees of BRADFORD COUNTY TOURISM PROMOTION AGENCY Room Tax Grants must sign a contract outlining grant disbursement procedures.
